

Here's the Program of That "Scandalous" Tennis Entertainment

BIG SHOW TO BE GIVEN IN ELM HALL NEXT FRIDAY EVENING, MARCH 12—YOU'LL ALWAYS REGRET IT IF YOU MISS THIS PERFORMANCE!

Well, here it is at last, in all its scandalous detail—the complete program of the big entertainment to be given by the members of the Narberth Tennis Association, next Friday evening, March 12, in Elm Hall.

Read it over carefully, folks, and you can take it on the word of any member of the cast that somewhere between that Musical Anomaly entitled "Perry and Ponce at Old Harvard," which constitutes Act 1, and that thrilling, not to say esthetic, terpsichorean exhibition entitled "The Fall of Adam's Apple," which constitutes the last act—in other words, somewhere between the beginning and the end, this entertainment is going to touch on everybody and everything in Narberth that is of interest to anybody in our borough.

The talent will consist exclusively of members of the Tennis Association, who have been in training for this master performance for many weeks,

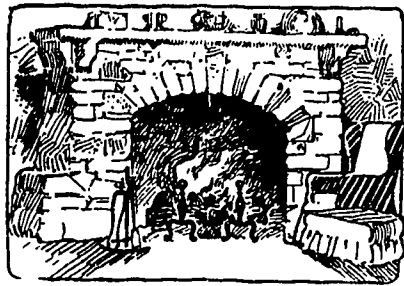

Women's Community Club to Stage Big Musicales

The Community Club chorus of Women's Voices, which has been working under the leadership of Mrs. Tillman O. Lane, will make its bow to the public at an evening musicale Monday, March 8th, at 8 o'clock, in the Y. M. C. A. Besides the songs given by the chorus there will be tenor and soprano solos and instrumental numbers. Altogether a very attractive program has been arranged. The usual guest privilege is extended to members of the club and it is hoped that a large number will avail themselves of the opportunity to hear this excellent music.

Tuesday Afternoon Meeting.

The regular meeting of the club will be held on Tuesday afternoon, March 9th, at 3 o'clock. The club is to have the privilege of hearing again Mary Rose Collins, who gave great pleasure last year by her reading of "Rhymes from the Trenches." She will give this year a longer program, including recitations, pianologues and the reading of a new comedy fresh from the Harvard Press. Members are urged to come and to bring guests.

The hostesses for the afternoon will be Mrs. H. S. Stevens, Mrs. J. E. Chapatte, Mrs. Charles H. Shaw and Mrs. C. T. Porter.

THE FIRESIDE

"Save Saturday afternoon 2.30, March 20th, for the 'kiddos'."

"Save March 19th, at Y. M. C. A., 8 P. M., for PROGRESSIVE NOVELTY PARTY."

"Junior Progressive Novelty Party Saturday afternoon, 2.30, March 20th, at the Y. M. C. A."

Mr. and Mrs. John B. Brooks, of Dudley avenue, spent the holidays last week up the State.

"Save Friday, March 19th, at the Y. M. C. A., 8 P. M., for heaps of fun for you, me and 'em."

Mrs. Charles Vinson Waters, of Forest Apartments, gave a luncheon in honor of Mrs. J. I. Balshy on February 19th.

Mrs. Frederick Schweitzer, of Cranbury, N. J., was the guest of her sister, Mrs. John B. Brooks, of Dudley avenue, during the past week.

The officers and teachers of the Presbyterian Sunday School gave a six-course dinner at the Church last Friday evening. The dining rooms were very beautifully banked with potted plants, cut flowers and flags. There were 52 guests present.

The Women's Foreign Missionary Society of the Methodist Episcopal Church will hold their meeting in The Little Church on the Hill, on Monday afternoon, March 8th, at 2.30 o'clock. As this is to be the last meeting before Conference, all members and friends are requested to be present, as business of importance will be transacted.

Narberth Daylight Saving Starts at 2 A.M. March 28th

Our own daylight-saving ordinance goes into effect at 2 A. M. March 28. The passage of this ordinance by our Borough Council was in keeping with similar action taken by the Philadelphia City Council and the local legislative bodies in practically all the cities in this part of the country.

So all our residents are urged to bear this in mind, and before retiring on Saturday evening, March 27, they are asked to turn their clocks and watches forward one hour.

In view of the general popularity of daylight saving among our people, and in view of the further fact that Philadelphia and so many other cities have also adopted this plan, our Borough Council felt that it was decidedly a good move for Narberth. Beginning with Sunday, March 28, Philadelphia and all her businesses and industries will be operated on the daylight-saving schedule. By having daylight saving here in Narberth it will be much easier for all of us to carry on our daily affairs, because we are all either going into the city on business or we transact a great deal of business with Philadelphia merchants and business men.

The extra hour of daylight will be generally welcomed by Narberth folks who are either interested in flower or vegetable gardens, or tennis or other athletic sports.

In addition to Philadelphia and Narberth, the daylight saving schedule will be in effect in Camden, Atlantic City, Trenton, Newark, New York City, Lancaster, Harrisburg, Altoona, Pittsburgh, and many of the smaller towns and villages.

PALACE THEATRE, ARDMORE, PA.
Program week Monday, March 8: Monday, Dorothy Gish in "Turning the Tables"; Tuesday, Marguerite Clark in "Miss George Washington"; Wednesday, a special treat, Norma Talma in "A Daughter of Two Worlds"; Thursday, Bessie Barriscale in "Luck of Geraldine Laird"; Friday, Ruby de Reamer in "The Dust of Desire"; Saturday, Marguerite Clark in "All of a Sudden Peggy"; Children (Saturday) matinee, 2.30. Admission, 11 cents. Special program.

Did You Forget?

On Thursday, March 4th, the twenty-ninth series of the Narberth Building and Loan Association opened, and while a great many new shares were issued, it looks as though a great many of our residents forgot to take out shares. The next meeting of the Building and Loan Association will be held April 1st, and any one wishing to take shares in the new Twenty-ninth Series can do so on that evening, by paying March and April dues.

The financial statement of the Narberth Building and Loan Association is published elsewhere in this issue, and shows a substantial gain over last year, the rate of profit now being 8.2-10 per cent.

During the last eighteen months 714 shares have matured representing \$142,800 paid stockholders on their matured stock, and about next August No. 7 Series will mature and 243 shares will be retired, so that in order to replace the shares that mature it is necessary that new shares be taken out in the new series as they are opened in order to keep the volume of business up to its present mark.

The series that opened a year ago had 1051 shares, which is the largest series the Association has, and from all accounts the new Twenty-ninth Series will be even larger, showing that the people of Narberth realize the benefits of the Building and Loan plan and are becoming interested in the Association financially.

There have been so many applications for loans on good mortgages on Narberth property in the last year that the Association has given preference to mortgages in Narberth, and has been able to loan all its receipts and in addition has had to borrow money in order to take care of its increasing business.

Every new share issued increases the assets of the Association as well as increases its borrowing capacity, so that when you become a stockholder you not only benefit yourself by having your shares earn over 8 per cent a year, but you benefit your neighbor by furnishing the Association with a larger working capital, so that your neighbor will be able to place his mortgage in the Narberth Building and Loan Association and not have to go to some outside association for the required money.

New stockholders will be welcomed even if they only take out one share or a dollar a month, and as the number of stockholders is 475 the average number of shares held is about 13.

Any of the officers or directors will be glad to explain to you the building and loan idea of saving money, and you are invited to become a stockholder in the Association by taking out shares in the new Twenty-ninth Series on Thursday evening, April 1st, from 7 until 9, at Elm Hall.

Musical Thursday Evening, March 16, 8 p.m.

Mrs. Miller Burkhardt and Mrs. Walker L. Owen have arranged a fine program for the musical to be given by the Women's Home Missionary Society of Narberth Methodist Episcopal church, for the benefit of Deaconess Home of Philadelphia, Pa.

The talent will be of the best. The program includes such well-known artists as Miss Sjolholm, Mrs. Tillman O. Lane and Mr. Robt. Hoffman in piano solos; Women's Community Sextette, Lieut. Sparks in vocal numbers; Miss Anne Barclay and Prof. Allen in violin solos, and readings and recitations.

A silver offering will be taken at the door. Come and enjoy a musical treat. To be held in the church, Essex and Price avenues.

JOHN IRWIN BRIGHT, NOTED ARCHITECT, AND A. E. WOHLERT TO GIVE INTERESTING TALKS AT Y. M. C. A. MARCH 26.

Every resident of our borough will be interested in the big feature program—including moving pictures, which has been arranged for the annual meeting of the Narberth Civic Association to be held in the gymnasium of the Y. M. C. A. Friday evening, March 26.

Two special speakers have been secured for the occasion and their talks, and the pictures which will illustrate them, will make the meeting one of the most interesting that has ever been held along the Main Line.

One of the speakers will be Mr. John Irwin Bright, who is not only one of Philadelphia's best known architects, but is also widely known throughout

GIVE THE KIDDIES A GOOD TIME!

Send them over to the Y. M. C. A. on Saturday afternoon, 2.30, March 20, and the Methodist Choirs will show them one awfully good lively time. Lots of games, good eats, and a rip roaring good time. All for 25 cents. Any youngster will be welcome from 6 to 17. This is called a "Progressive Novelty Party for the Kiddos," and they'll enjoy it from beginning to the end. KEEP IT OPEN FOR THE BOYS AND GIRLS. Y. M. C. A., MARCH 20, 2.30.

Narberth Firemen Heroes at Wynnewood Fire

On Tuesday afternoon, March 2, at 4.30, the Narberth Fire Company was called to the residence of Edmund P. Hallahan, on Hathaway Lane, Wynnewood.

When the Narberth Company arrived on the scene two children had been rescued from the second floor, but it was learned that a little girl was still on the third floor.

Edwin L. Wipf led the Narberth boys through the smoke and fire to the third floor and found the child on the landing. She was brought to the street and rushed to the Bryn Mawr Hospital, but died on the way.

The fire was extinguished after the third floor and roof were burned. The Narberth Company was highly praised for their prompt and very able assistance.

Al. Miller is carrying a badly cut wrist, the only serious accident which occurred.

Volunteers all, they receive no pay, risking their own lives to save others and to save our property!

Editorial

In response to a letter recently mailed by the Narberth Firemen's Relief Association, they have received a donation of \$100.00 from one of Narberth's finest citizens.

Let us hope there are more residents in our community who are able and willing to help this good cause. Donations of any amounts acceptable and appreciated.

To the Editor of Our Town:

Dear Sir: What happened to the Memorial for "our boys"? Did it die with the signing of the armistice?

FLOTOW.

To the Editor of Our Town:

Dear Sir: I heard some time ago of a chorus to be formed in Narberth. What happened? I feel that Narberth needs a little more of the get-together spirit, and a chorus would surely be a fine method of bringing this about, not only for those who take part, but for all who would care to spend an evening studying music.

FLOTOW.

To the Editor of "Our Town":

I have learned that our faithful citizen, Mr. Daniel J. Hill, who has been the police officer of Narberth for years, has sent in his resignation. He has always impressed me as an ideal police officer, kindly in disposition and always willing to serve in every way possible. I understand that he is the only police

officer that Narberth has had, and that his salary has been very small. Though the town has grown greatly yet no one one has been secured to assist him on the police force. In his kindly spirit he was doing all in his power to keep our town peaceable and law-abiding and I regret that matters could not have been made attractive enough to hold him on the police force of our town. This is a sincere effort from one of his friends.
F. M. GRAY.

A LETTER OF APPRECIATION.

Mr. Edwin Wipf,
Narberth, Pa.

On behalf of the citizens of Narberth, I desire to express to you their deep feeling of appreciation for the bravery and courage displayed by you as a member of the Narberth Fire Company at the fire in Wynnewood a day or so ago. Your presence of mind and personal courage on this occasion serve but to emphasize the splendid spirit which animates the entire Company, of which the borough is so justly proud.

Your example will, I feel sure, serve as a stimulus to those associated with you in the Fire Company and will redound to enhance the already enviable reputation which our Company enjoys as being the leading fire-fighting organization in the Main Line district.

CARROLL DOWNES,
Chief Burgess of Narberth.

EXONERATIONS.

To the Editor of "Our Town":

Exonerations. That has a pleasant and suggestive meaning according to Webster's definition. In the final analysis, however, it depends upon the point of view. To illustrate, last Tuesday evening the Borough Council held a special meeting for the express purpose of starting a clean-up on the unfinished tax collections for the years intervening between 1910 and 1917. It seems that a former tax collector, now deceased, failed to collect approximately \$800.00 due by various delinquents. Some of them have moved out of this jurisdiction and therefore cannot be reached except through their conscience, if they possess that moral asset. It might be an opportune time to start something of a conscience fund.

At a rough guess, about \$500.00 will have to be paid to the Borough by the former collector's bondsmen, the difference representing the estimated total of exonerations.

It is a safe bet, where is Mr. Bowman, that our present collector, won't be an easy mark because he has already manifested an activity, which presupposes no guilty one shall escape during his tenure of office if he can prevent it. On behalf of

The Narberth Civic Association.

A BURST OF JOY ON MARCH 17TH.

Just take all the big times you have ever experienced, be it in fact or fancy, pepper them liberally with a cloud of jazz, roll them all together into one big party, and you may have some faint concept of the St. Patrick's Shillelah Shakedown which the local post of the American Legion is planning to offer its friends and patrons on the day the Hibernians used to parade (but will they this year, what with no "drap of the crafter" at all at all to keep out the chill winds?).

Anyone who has attended the previous dances of the winter given under the auspices of the Legion knows what tremendous social successes they have been, how thoroughly every one has enjoyed his, her or itself, respectively (the last pronoun refers to couch-cooties, shimmy-shakers, and male persons who dance in spats and wear fancy vests). These jazz-parties of the past, however, were but pallid foretastes of the delightful and unique evening's sportiveness which the distinguished, resourceful, and hard-working dance committee of the A. L. holds out to the expectant town of Narberth on the above-mentioned (we think) evening.

Above all, may we call attention to the fact that no contestant for the solid aluminum loving cup to be awarded to her and him who shake the meanest shimmy on the entire floor, is debarred by reason of age or weight. Does a regular fellow love his pristine agility on the attainment of his thirty-fifth year? Does a lovely lady become any less light on her feet because she tips the beam at 180 or upwards in her armettes? No, a thousand times, no.

Therefore, oh fellow-townsmen, hearken to the call of the Wild Women, seek out the nearest member of the Legion, or mayhap he will mail you first, and secure a bit of pasteboard, admitting yourself and your wife, or your grandmother, or the girl next door, or anybody you choose, or just come along, and pay at the door, but whatever you do—DON'T MISS IT!

All of your communities are handy to our already large and rapidly growing plant.

We are faced today with an unusual condition. Our people are in the market for a considerable number of houses both large and small, with or without garages. But the quoted prices of those that have been brought to our attention are, we believe, excessive.

Shall we be compelled to build houses and go into direct competition with property owners of this section—or can we find houses for our men already built at reasonable prices or at reasonable rental; leases to run one or more years?

What have you for sale or lease that will meet the housing needs of those connected with our company, where steady work prevails? Please communicate with Mr. E. A. Fitts, Vice President.

Your Table Linen == and Sam Brown's Socks

"I would like to use the laundry," said Mrs. Porter, "but I just can't bring myself to the thought of having my table linen washed with Bill Smith's overalls and Sam Brown's socks."

Mrs. Porter unwittingly exposed in this remark her lack of familiarity with modern laundry methods.

Really, it would make very little difference from the sanitary point of view if this mixing were practiced, for everything we wash is sterilized as well as cleansed.

But actually, there is no such promiscuous washing. The things that come to us in your bundle are carefully sorted. Hosiery is washed only with hosiery, table linen only with table linen, "pinks" only with "pinks," and so on. Each class of goods is washed separately from every other—and the water renewed from nine to twelve times while laundering is in progress.

This is a method superior even to that of the laundress. You receive your washing back sweetly clean—and pure.

But are you sure of this when you send your laundry to some unknown place, where there is no supervision, and little knowledge of modern laundry sanitation?

If you would best guard your own and family's health, and secure refreshing cleanliness, at moderate cost, call us up. We will send our representative for your family bundle.

What about our Service?

SOME say "good;" a few say
"poor" and a large percent-
age say "well, we'd like to see
it better, but probably you're
doing the best you can under
the circumstances."

What are the circumstances?
Just these!

To furnish good service we must
have the right equipment and an effec-
tive operating force. Both cost money—
much more than they used to! That
money we get from telephone rates.

And what are these rates?

Just what they were before the war!

They are not sufficient to operate and
maintain the plant effectively and pro-
vide for depreciation and replacements.

They afford no margin for future
strengthening of the operating force.
Our young women at the switchboards
are intelligent and hardworking. We,
at least, know that they're doing their
very best.

To permit continued recognition of
the good job they're doing, we must
have adequate rates.

The service-user cannot ignore the obliga-
tions of the rate-payer!

Letters to the Editor

To the Editor of Our Town:

I see there is a letter from the "Club" in last week's issue of Our Town, but nothing appeared from the "Spectator." How is it that these two fellows say on each other, or is there a gentlemen's agreement in Our Town's once?

It stands to reason, of course, that they both cannot agree on everything, but I think it would increase the circulation of Our Town if we could get them going after each other.

Can't someone please start something?

CURIOS.

To the Editor of Our Town:

Some satisfaction is derived from "Spectator's" last article, "Here and Thereabouts." It will be noticed that he differs from Chief Noel, in that the latter does not approve of a "popular appeal," but would confine the request for information—mind you, it is not to be construed as a complaint—to the precincts of the fire house. If it were a particularly personal matter, that might be the proper course, but it concerns the whole community. So an explanation in these columns is all that is expected. Far be it from me to "slander" the fire fighters or brand them as a "nuisance," because I have the greatest respect for them, individually and collectively. I fail to find, however, anything in that portion of Chief Noel's letter as quoted, which approaches an explanation for the lambasting described by "Spectator." On the contrary, the disputed point is not met; but "Observer," actuated by a public spirit, is taken to task because he has had the effrontery to publicly call attention to a certain practice which has prevailed. The partial explanation advanced by "Spectator," and not by Chief Noel, somewhat clarifies the circumstances. By all means, let us have at once that "constructive program" to be announced by the Chief and "Spectator." Perhaps it will explain why the engine bells have been "lambasted" in the past and the reason for the continuance of the practice in the future. As I have remarked before, the lambasting has marked the departure for and the return from the fire or false alarm, irrespective of the time of day or night.

OBSERVER.

III. Membership. All persons residing in this community are members and are entitled to attend meetings of the Association and avail themselves of its benefits.

There shall be no other stated meetings of the Association, but meetings shall be called by the President at any time upon the request of the Board of Directors, or of the Executive Committee, or upon the written request of any ten voting members who shall state in writing the purpose for which they desire such meeting to be called.

Whenever a meeting is to be called, it shall be the duty of the Secretary to post on the bulletin board a notice of the time, place and object of such meeting. Such notice shall be posted as long before the date of meeting as circumstances permit, in order that all members shall have reasonable opportunity to attend the meeting. But in no case shall a meeting be convened on less than twenty-four hours' notice.

Twenty voting members shall constitute a quorum.

VII. Amendments. This Constitution may be amended at any time by vote of two-thirds of the members present and entitled to vote, provided thirty days' notice of the meeting and of the proposed amendments shall have been given.

The following editorial appeared in the Public Ledger under date of February 20th, which we print herewith at the suggestion of Mr. Victor D. Abel, of Narberth.

The article is very interesting, and we should all profit by it.

IT PAYS TO PROMOTE BEAUTY.

The attention of schools of industrial art and organizations such as the American Civic Association has been called to a very remarkable decision of the Minnesota Supreme Court which practically lays down the fact that good taste in city architecture pays. The decision grew out of a suit of a building and investment company against the city building inspector of Minneapolis who had refused to grant a permission for the erection of an apartment house which he deemed was of an unseemly character and unfitted to the neighborhood. The court upheld him, and under the ruling apartment houses may be barred out of residential districts in Minneapolis if they do not meet the esthetic requirements of the neighborhood.

The court, indeed, not only reversed itself in its decision, but brought to an end a fight that has been going on for five years. In sustaining the city official the court made a generalization which is of very wide application. For in the opinion of the court:

It is time that courts recognized the esthetic as a factor in life. Beauty and fitness enhance values in public and private structures. But it is not sufficient that the building is fit and proper, standing

alone; it should also fit in with surrounding structures to some degree. People are beginning to realize this more than before and are calling for city planning by which the individual homes may be segregated from not only industrial and mercantile districts, but also from the districts devoted to hotels and apartments. The act in question responds to this call and should be deemed to provide for a taking for a public purpose.

This opinion is in line with the kind of thing that is being secured in many cities through zoning commissions and comprehensive plan and parkway bodies which have been given by law a certain discretion as to the esthetic aspect of public improvements and the regions adjacent. It is also in line with common sense and is a needed warning to those who would obtrude aggressive ugliness on the most costly civic embellishments that so many cities are now planning. Revolutions of this kind in public taste do not move backward.

Speakers at the Bible Conference

(By the Committee.)

One of the ablest of the defenders of "the faith once for all delivered to the saints" in modern times is Dr. David S. Kennedy, for many years editor of the Philadelphia Presbyterian. He will open the evangelistic meetings in the Narberth Presbyterian church on Monday evening, March 29, with a sermon on the Atonement.

He will be followed Tuesday evening probably by George Innes, the well-known Philadelphia business man who has had a wonderful vision of stewardship.

Other speakers are Mrs. A. W. Karmel of the International Sunday School Association, who will speak on the duties of parents to children, and Dr. W. B. Anderson, missionary secretary of the United Presbyterian Board, who will make an appropriate Good Friday address on April 2. One other speaker is yet to be chosen.

The people of all churches will be welcomed to these Holy Week addresses.

NARBERTH DEFEATS ARDMORE.

Narberth won the first game of the series for the championship of the main line. The score was 32 to 30. Midget Dickie starred for Narberth, making eight field goals and 16 fouls. Duffy Meyers put up a star game for Ardmore.

The line-up:

Narberth	Ardmore

Smedley..... forward	Campbell
Durkin..... center	Wilson
Cooke..... guard	Meyers
E. Davis..... guard	Young

Field goals, Dickie, 8; Smedley, 2; Limbruner, 1; Campbell, 2; Wilson, 3; Meyers, 5. Foul goals, Dickie 16; Locum, 12. Referee, Bob Towne, Haverford.

Next Saturday night, March 6th, at the Y. M. C. A., Narberth plays South Branch Y. M. C. A. Rooters, come out and see a good game.

SAVE FRIDAY EVENING, MARCH 19

And come be a kid again at the Y. M. C. A. There's going to be some good peppy fun, and every one from 18 to 80 had better run, as of tickets there's not a ton. What are we going to do? Why should we tell you? But this is your cue—it'll be more fun than even the zoo! Don't think you'll come and just sit—not a bit! Each one will have a part from the very start, and then, after the lively feast—honest-to-goodness you'll get some home-made cats! Don't forget—March 19—we're going to look for you—aw come over, do! And say—all this for a few pence—to be exact, only fifty cents. With apologies to Walt.

FATHER OF MRS. A. J. NEWELL DIES

The funeral of the late Frank Leake, father of Mrs. A. J. Newell, of Narberth, took place Saturday afternoon from the latter's residence, 118 Chestnut avenue.

Mr. Leake was a retired textile manufacturer and was well known in Philadelphia, where he had been active in business and public affairs for many years. He died last Thursday. He had been ill for about a year, but the immediate cause of his death was apoplexy.

"Well, do tell! Who's goin' to set in it, Lobelia?"

"That's a secret. But if you'll come to the Presbyterian church Tuesday, March 9th, at 8 o'clock, you'll hear all about it."

Narberth Firemen's Relief Association

Under date of February 14th the Firemen's Relief Association sent out the following letter which is worthy of attention. This worthy cause should receive the support of all the residents of our borough as it is one of the organizations in Narberth which makes for the protection of our homes, and is, therefore, of vital interest to everybody:

"The Narberth Firemen's Relief Association was organized in April, 1913, for the purpose of accumulating and maintaining a fund for the relief of members injured at fires. This relief consists of payment for medical attention and indemnifying members for loss of time consequent to injury.

Owing to the great increase in the number of buildings in Narberth and vicinity, the fire company is called upon to answer more alarms and accidents in the line of duty are more frequent.

"We cite a recent instance. During the fire at Merion on the night of January 4th, a member was painfully injured, having three ribs broken. This drew \$70 from our treasury.

"Our income has heretofore consisted of membership dues and an annual payment by the State Insurance Department averaging less than \$40.

"The amount in our treasury is only \$300, which will not go far in case of serious injury or fatal accident. We desire to add to this fund by giving an occasional entertainment and by receiving direct contributions from any who appreciate the voluntary service the active members render the community.

"Address communications to Charles V. Noel, Secretary, Narberth Firemen's Relief Association, Narberth Pa."

Harry A. Simpson, Secretary.

MEETING OF AMERICAN LEGION POST.

The next meeting of the American Legion Post 356 will be held in the firehouse, Thursday evening, March 11th, instead of the regular meeting night. Every member of the Legion is urged to make a special effort to be present on that occasion as matters of more than ordinary importance are to be decided.

The members of the Woman's Auxiliary Post have most kindly invited all the Legionaries to partake of refreshments that evening after the meeting, than which need we say more.

THE BALDWIN DAY NURSERY BENEFIT.

An entertainment is to be given in Lower Merion High School Auditorium on Tuesday evening, March 2nd, in aid of the Baldwin Day Nursery. It will be remembered that the nursery had an entertainment scheduled for the Bryn Mawr Theatre and a fire broke out at the afternoon performance which necessitated the postponement. A few days ago an affair was scheduled for the Belmont Hospital, but owing to the party in charge of the hospital being away and ill and the arrangements made by an under officer it was deemed best not to hold the affair at this time, so the managers of the Baldwin Day Nursery have taken the matter up and will have the entertainment in Ardmore, Lansdowne, Ridley Park and Media.

These entertainments will be directed by Mr. James E. Corneal, director of the Music Department of the Community Service of Philadelphia. Mr. Corneal promises a good program. Everybody is asked to co-operate. Tickets may be purchased from the chairman of the committee or by phoning any member. The Baldwin Day Nursery managers are: Miss Mary Converse, Mrs. E. Waring Wilson, Mrs. F. M. Mitchell, Mrs. Fayette Plumb, Miss Eleanor Collins, Mrs. Donald Leas, Mrs. Le Roy Leas, Mrs. Edward H. Lycett, Mrs. VanHorn Ely, Mrs. Winthrop Sargent, Jr., Miss Louise Twaddell, Mrs. R. R. P. Bradford, Mrs. Marvin Toulmin, Miss Agnes Hamilton, Mrs. Joseph N. Pew, Mrs. Joseph N. Pew, Jr., Mrs. H. A. Myrin, Miss Elizabeth Forrest Johnson, Mrs. S. S. Eveland, Mrs. Edward A. Crane, Mrs. John Rodgers, Miss Florence Shoemaker, Miss Anna G. Baldwin, Mrs. William A. Wiedersheim, Mrs. C. C. Norris, Jr., Mrs. J. Lawrence Pancoast.

Some few have purchased tickets for March 2nd on account of the Belmont Hospital. If so desired the money will be refunded or check may be reissued to the Baldwin Day Nursery and mailed to Mrs. J. Lawrence Pancoast, Rosemont, Pa.

The Women's Auxiliary of the Narberth Y. M. C. A. are already planning for their spring rummage sale, and will be glad to relieve all housekeepers who are contemplating moving in the near future, of any discarded clothing, furniture, china, pictures, books, shoes, etc., etc. Nothing is too old to find a purchaser if it is clean. Arrangements have been made to send for packages at any time if you will phone Narberth 1649-W, 623-R, or 1611-W.

School Notes

"Without halting, without rest,
Lifting better up to best."

The Senior Class has made its preliminary announcement about its year book. We recall the splendid accomplishment of last year's work. Our best wishes are with the present Senior Class and their big undertaking.

The Senior Play is about to be announced. The preparation for this annual event always takes a great deal of time and thought on the part of the members of the class. The burden of responsibility however, lies with the English Department. The selection of a play to include all members of the class is no easy matter when the many other important aspects of the question must be taken into consideration. If Miss Boynton succeeds as well this year as she did last year we look for a good play.

Last week Mr. Melchior attended the National Convention of the Department of Superintendence in Cleveland. The students and faculty have at various times heard reports on the outstanding features of the convention. Of particular interest to the entire student body was the review of "A Pageant of Education," which was given by the students of the various schools of Cleveland. It was given in eleven "glimmers" and traced the evolution of education from the dawn of history to the present time. The evident object of the pageant was to impress the American people with the immediate need for more funds for the promotion of schools and the all importance of the highest type of teachers to be employed. The description presented vividly under the tenth glimmer, "A Warning" of the inevitable result of an inferior grade of teacher.

This week the school was grateful to acknowledge receipt of a contribution of Washington Irving's works and several volumes of Sir Walter Scott's works, the gift of Mr. and Mrs. S. P. Bowman.

The attention of the student body was called to the March number of the World's Work as being of exceptional merit. Teachers and pupils are interested in the contents. We believe it worth while "passing it along" to everybody interested in live problems, including a peep into modern writers and books.

Residents of Narberth who own dogs and who have not renewed their licenses for 1920 should write to Irvin Bardman, County Treasurer, Norristown. The method of procedure is as follows: Ask Mr. Bardman to send you an application for a 1920 dog license and enclose either a two-cent stamp or a stamped and addressed envelope. The County Treasurer will then mail you the application form, and upon receipt of this form you should fill it out and mail it back to the County Treasurer, enclosing the necessary fee. A postage stamp or self-addressed and stamped envelope should also be enclosed with the application. In two or three days the County Treasurer will mail you the new 1920 license.

the country. He is an expert in the architectural development of housing, and was closely identified with much of the Government housing work done during the War, and was also associated with the development of the Yorkship Village—the model housing development in connection with the New York Ship Yard's plant, and also the Octavia Hill development.

Mr. Bright is a member of the special committee of the Philadelphia Chapter of the American Institute of Architects in charge of the drafting of a plan for the development of the Metropolitan Philadelphia Area. This is a project that intimately concerns every resident of Narberth because of our very close proximity to Philadelphia and the possible inclusion of Narberth and other Main Line towns in the city of Philadelphia before many years have passed.

Mr. Bright's talk will be illustrated by moving pictures. Those who have seen the film say that it is intensely interesting.

The second talk will be made by Mr. A. E. Woehlert. All of us know Mr. Woehlert either personally or by reputation, because he lives right here in Narberth, but many of us do not know that he is not only a nurseryman of unusually wide experience, but that he is also an expert on horticulture in general and on planting in particular. He is a member of the Pennsylvania Horticulture Association, the Philadelphia Florists' Club, the Pennsylvania Horticultural Society, the National Association of Nurserymen, and for many years was in charge of the landscape development work of the Pennsylvania Railroad. The exact topic of Mr. Woehlert's talk will be announced in a later issue, but we are able to say now it will be illustrated with colored magic lantern pictures.

Coming just at the end of March and at the beginning of the spring season, Mr. Woehlert's talk will be especially interesting, helpful to the many Narberth folks who have gardens and are interested in all horticultural development.

The only business to be transacted at this meeting on Friday evening, March 26, will be the annual election of officers. Everyone is urged to hold this date open and to attend the interesting meeting which the Civic Association has planned.
